- Drive safely.
- Take a few minutes and read your official Cruisin program/schedule of events that you will receive at sign-in.
- Follow the one-way traffic pattern and look for event parking staff in the Inlet
- Parking at all locations is limited. If you would like to participate in a particular activity please arrive early.
- The Inlet lot fills up quickly on Friday and Saturday, therefore being in the parade does not guarantee entrance into the Inlet.
- Trailer parking is available, at your own risk and based on availability, at the Route 50 Park & Ride located on the south side of Rt. 50 in West OC. Any trailer parked on an OC street must have a trailer permit. Trailer permits can be purchased from the OC Convention Center during the event. Trailer permits are for registered participants only.
- No trailer parking at the Inlet or Convention Center
- No reserving parking spots. If you would like to park with a friend please plan to arrive with them.
- No pop-up tents are allowed in the Inlet or Convention Center parking lot unless approved by the event.

- Make sure to attend the trophy presentations daily to see if you've won. If you miss one check the winners board at the Inlet and the Convention Center to see if your number is listed.
- If you have any questions please ask one of our staff.
- Enjoy your time at Cruisin Ocean City.
